Zopa-PRIME Olderpreneur Loan Scheme

PRIME has teamed up with **Zopa Ltd** and Bank of America to create a loan scheme to help people aged 50+ to raise capital of up to £15,000 to start a business.

Zopa Ltd is an on-line market place where people meet on the internet to lend and borrow money. Once your loan application and business plan has been endorsed by **PRIME**, you will be invited to make a listing on the **Zopa** website, subject to passing their credit checks.

You will need to create a profile of yourself explaining what rate you are looking for and why people should lend to you on the **Zopa** website. **Zopa** lenders individually decide whether they want to risk lending their money to you and at what rate. You can decide whether to accept or reject their offer. Your loan contract is with **Zopa** lenders and not **PRIME**.

Half the money you borrow from **Zopa** lenders as a **PRIME** endorsed applicant will be guaranteed by us. Therefore **Zopa** lenders are more willing to lend to you and offer a more competitive interest rate.

This is where Bank of America plays an important part by granting **PRIME** the guarantee funding.
